WORKSHOP SERIES 2019

UNIVERSITY OF MIAMI
LIBRARIES

Data Analysis Software Instruction

Introduction to SPSS

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, September 18
3–4:30 p.m.

Intermediate SPSS

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, September 25
3–4:30 p.m.

SAS for Data Analysis

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, October 2
3–4:30 p.m.

Introduction to R/RStudio

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, October 23
3–4:30 p.m.

Intermediate R/RStudio

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, October 30
3–4:30 p.m.

Data Visualization with Tableau

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, November 6
3–4:30 p.m.

Data Visualization with R/RStudio

Otto G. Richter Library
Digital Scholars' Lab
Wednesday, November 20
3–4:30 p.m.

Research Data Management Series

The Data Management Challenge: Wrangling Data in the Research Environment

Rosenstiel School of Marine and Atmospheric Science Library
Map Room
Friday, September 6
10–11:30 a.m.

The Data Management Challenge: Wrangling Data in the Research Environment

Louis Calder Memorial Library
First Floor Collaboratory
Thursday, September 26
5:30–7 p.m.

The Data Management Challenge: Wrangling Data in the Research Environment

Otto G. Richter Library
Flexible Program Space B
Friday, October 4
10–11:30 a.m.

Data Management and Research Design

Otto G. Richter Library
Flexible Program Space B
Wednesday, October 9
10–11:30 a.m.

File Formats and System Organization for Research

Otto G. Richter Library
Flexible Program Space B
Tuesday, October 22
10–11:30 a.m.

Research Data Description and Documentation

Otto G. Richter Library
Flexible Program Space B
Wednesday, November 6
10–11:30 a.m.

Research Data Publication: Repositories and Sharing

Otto G. Richter Library
Flexible Program Space B
Tuesday, November 19
10–11:30 a.m.

GIS Software Instruction

Introduction to ArcGIS Online

Otto G. Richter Library
Digital Scholars' Lab
Thursday, October 10
2–4 p.m.
